"Ding dong ding dong!" Sophie and her mom were busy packing their bags for there trip to Xi Shuang Ban Na.

Her eyes are light and everybody likes this about her. Sophie was a very friendly, rich, beautiful and smart girl. She was the smartest in her class. Every one in her school or friend is very rich.

Her school was a school that just let rich people go, and rich people like to play with rich people. She really liked to play teddy bears and dolls, so in her bedroom she has lots.

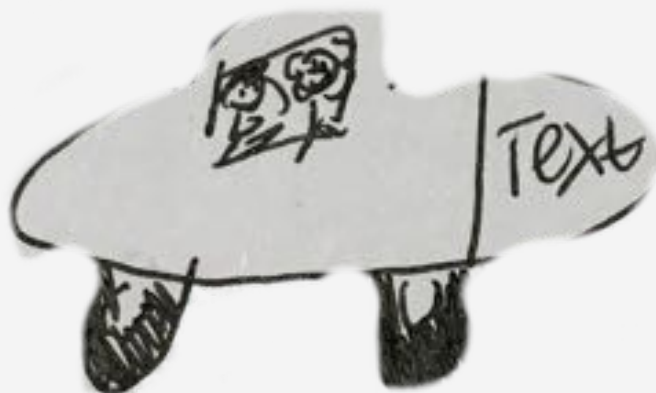

Tomorrow Sophie and her mom were going to Xi Shuang Ban Na, so Sophie needed to go sleep early. Her mum read bedtime story to help Sophie fall asleep

The airport was so enormous. It was full of fake flowers and grass. There were so many people rushing around with giant cases of luggage. They boarded the plane and after a couple of movies they reached their destination and met up with the travel group.

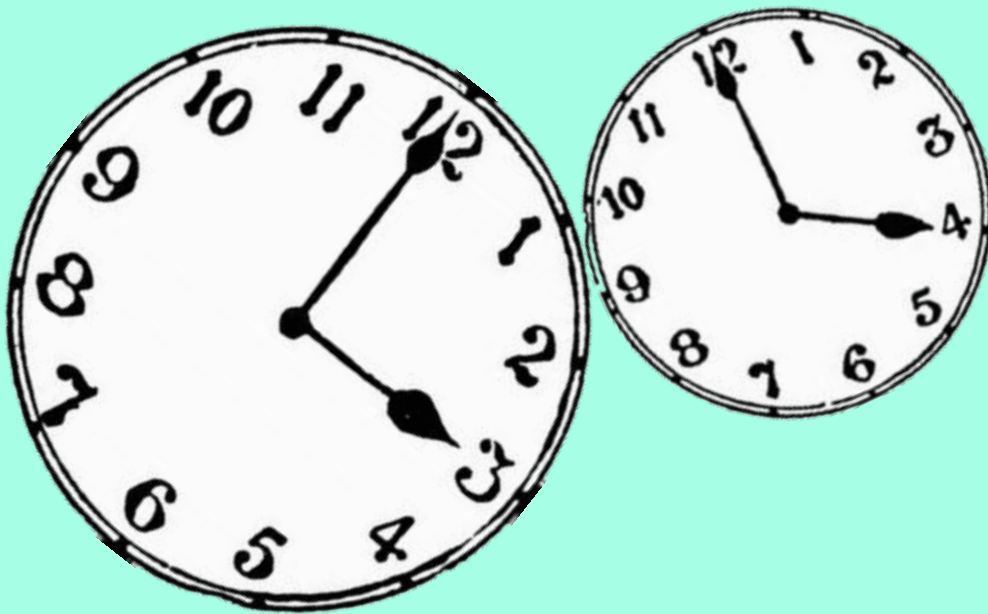

Sophia was excited because her two friends, Jessica and Emily were also apart of the group.

4 hours later.....

Jessica and Emily played lot of games and about half hour later Lucy and Allen came. Then they got on the bus and sat on the bus and played the iPad or some hand games.

After two hours they arrived in the forest and set up there tents. Sophie was scared about staying in a forest and a tent.

When they were making the tents Sophie's mom said "there was a girl that died in this forest." They were all scared but after many days they forgot this story because nothing had happened. But on the last day they went to have a picnic.

Something felt strange that day. The wind was howling and everywhere felt quiet. As they were eating Emily needed the bathroom and went into the woods to to find a private place. After while she didn't return.

The wind was really howling and the clouds became grey. Suddenly, Sophie felt very scared. She knew she had to find her friend. The mums were trying to act brave but you could see they were all scared..

They all know they need to be brave so they went to the place where Emily went. They saw another persons footprint but just one foot. Emily's mom was so scared that there might be real ghosts. All of a sudden they saw a big black house.

It was like a maze. They walked around and eventually found an arrow. They decided to go in the direction it was pointing. it was really cold and the wind was howling more and more. They walked slowly and at last they saw Emily in a corner of the house.

“AAAAAAA!”

Tick

In the house Emily was crouched in a corner, Emily was crying because she don't know how she got there. They took her back to the safety of the tent. "What happened?" They all asked.

"I really don't know, it was like someone was controlling my actions" Emily answered "All I could hear was a girl crying for help and calling for me to help."

"HELP!"

Everyone was so happy and that night they went home as quickly as they could. They later found out that the black house was the same house that the girl was killed.

The next day they will go to their own country. Jessica and Emily went to Australia and Sophie went back to China. Just before they got on the plane they said at the same time "how long until we get to see each other again?"
