Another
uncle came
and had a
cake for
Allen.

It was delicious but
Allen's mum said he
needed to wait for
dinner to eat it.

Allen decided to go
outside and ride his
bicycle.

Allen saw a stranger who looked very bad. He was walking in a circle and staring at Allen in an angry way. He said bad words to Allen.

Allen Ran home to tell his mum.

"I saw a stranger. He looked like a trouble maker!" said Allen. Allen's mum went to look for the stranger, but he was gone.
