Annemarie was having her birthday party with her best friend Ellen. They were born on the same day. "It's beautiful in here." Annemarie whispered to her mom.

"Yes, I also like it." said Ellen behind her. It was big surprise that Ellen and her family had already arrived. Shortly after all the people came. They were now starting the presentation. All the people gathered to the stage. Now they were waiting on the stage for their mom to speak.

" When are our moms coming, we've waited for five minutes? " asked Annemarie quietly. She wanted to start the presentation because she had prepared a show. Then someone said loudly, "Good morning everyone, welcome to Annemarie and Ellen's birthday party! ". It was Ellens mom. Then they both came up and said thank you for coming to our birthday party.

First to perform was Ellen, she sang a song called 'Heroes' . She sang very well.

Then, it was Annemarie's turn. She was very excited and a little bit scared. She walked up to the stage slowly. The stage was a big, pink stage and it said Happy Birthday on it.

She bowed first and let her mom play the music. The music was very soft because it was good for ballet. When she did her big jump she fell over. (Annemarie felt so upset and embarrassed) Her leg was hurt and there was blood coming out.

Her mom ran on the stage and carried her quickly to the nurses room. Her leg was still bleeding. The nurses room was big and white with the nurse sign on the wall. It smelt like medicine and there were first aid boxes scattered everywhere. The nurse checked the wound and put a bandage on the blood.

" Mom, I need to go back and do it again, this is my birthday and I want to do this perfect"said Annemarie strongly to her mom. She is a girl that needs to do everything perfect. All the people clapped for her beautiful dance and the courage she showed. Annemarie thought that she made it. She jumped up high and yelled " I made it." She was so excited.

But her mom said she need to relax so they went back home. When they were in the car Annemarie fell asleep. Her mom thought that she was so tired so she kept the music sound low.

When she was awake, she saw that she was now at Pizza hut 🍕 with her family. She loved to eat the sausage pizza. It was full of people. There was a really big smell of huge yummy pizza. It had 2 floors and it looked like a bar. She was very confused because she remembered that she was in her moms car.
